Skills

- C Programming
- Python
- HTML
- CSS
- JavaScript

Language

- English
- Malayalam

Education

ST. JOSEPH'S COLLEGE OF
ENGINEERING AND TECHNOLOGY (present)

MDSHSS, KOTTAYAM , 11th-12th (2023-25)

ST Philomena's GHS , Arpookara (2017-2023)

Projects

ArtisanHub (HTML, CSS, JavaScript)

- Built a dedicated community space for traditional and digital artists to share and showcase their work.

Digital Portfolio (HTML, CSS, JavaScript)

- Created a responsive personal portfolio website to display my tech projects and creative artwork in one place.

Age Tracker (HTML, CSS, JavaScript)

- Developed a lightweight web application that calculates and tracks real-time time intervals based on user inputs.
